

## WINTER REMINDERS

Be safe on the ice!

<https://www.dnr.state.mn.us/safety/ice/thickness.html>

Be nice to Cedar's ice! Please legally contain and dispose of your garbage and waste.

<https://keepitcleanmn.org/>

Please use salt sparingly on your sidewalks and driveways. It does not breakdown when snow melt occurs and is harmful to Cedar's ecosystem.

Cedar neighbors look out for each other. Report anything that appears suspicious.

Spring is right around the corner!
