

NOTICE

**Cedar Lake Conservancy
32509 456th Place
Aitkin, MN 56431**

The Cedar Lake Conservancy has contracted to treat Curly Leaf Pondweed an Aquatic Invasive Species in Cedar Lake in 2025.

The Minnesota Department of Natural Resources has granted to the Cedar Lake Conservancy a waiver of the requirement that the group obtain the signatures of approval of owners of lake-shore property. Instead, the Cedar Lake Conservancy will notify property owners of the treatment through alternate forms. This notice is one form that the Cedar Lake Conservancy is using to notify property owners. Other forms include but are not limited to notification on the Cedar Lake Conservancy web page, annual newsletter or social media page.

With regard to the treatment for this year, 2025:

1. The proposed date for treatment: April 1, 2025 through June 15, 2025
2. The target species for the treatment: Curly Leaf Pondweed
3. The method of control or product being used: EPA and MDA registered aquatic herbicide such as: Endothall, Flumioxazin
4. How landowners may request that control not occur adjacent to the landowner's property: If you desire that the treatment of Curly Leaf Pondweed not occur adjacent to your property, please notify the Cedar Lake Conservancy immediately at the following address and email address below:
